What is HomeExchange?

HomeExchange is a quick and simple way to sell your home. HomeExchange removes the stress of selling and provides comfort in buying.

How does HomeExchange work?

Selling a property is often a complex and expensive process, which can involve significant risks

With HomeExchange, you agree the value of your property and nominate your moving date! It's that simple.

There are no hidden costs or charges. The price is based on market value less a discount all agreed with you:

- No real estate agents or fees
- No marketing costs or commissions
- No bridging finance or interest charges
- A coordinated settlement with the purchase of your new home
- Relocation services makes your move hassle-free

The simple HomeExchange process means you remain in control with 5 easy steps.

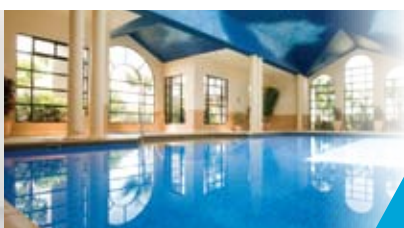

Ask our friendly staff about HomeExchange now to see if it's *exactly* right for you.
